PLANS TO ASSASSINATE CUBAN LEADERS

the United States would be ready to give this assistance at a moment's notice as the plotters may be able to hold the Government for only a day or two.

He was in Spain for about twenty hours during his recent trip and in that country he contacted other Cuban exiles and learned that a man named Williamson, who is in charge of the Central Intelligence Agency Office in Madrid is aware of this plot to a certain degree. The Cuban exiles do not trust Williamson and allege he has been compromised by a Cuban girl nicknamed "Tota," who was sent from Havana to Spain for the specific purpose of getting in contact with Williamson. (S) (S) (S)

He requested to be put in contact with a representative of the Central Intelligence Agency, who was thoroughly familiar with the Cuban situation and knowledgeable concerning the individuals involved in the plot. (S) (S) (u)

NOTE: Above information contained in New York teletype dated 6/2/65, captioned, "Victor Domindador Espinosa Hernandez, Neutrality Matters; Internal Security - Cuba."

Bureau files indicate Espinosa in 1963 was involved in a plan to bomb Cuba. Our investigation of this plot, which was not a Central Intelligence Agency operation, resulted in seizure of over a ton of dynamite and other material to be used in making bombs.

Bureau files indicate Cubela has been previously contacted in Europe by Central Intelligence Agency possibly with a view towards taking some action against Cuban leaders. (u) (S) (S)

[Almeida Bosque] may be identical with person serving as [First Deputy Minister of the Cuban Revolutionary Armed Forces. (S) (u) (S)]
